

CHATHAM KENT
COMMUNITY
FOUNDATION

2019 ANNUAL REPORT

OUR MISSION STATEMENT

“The Chatham Kent Community Foundation is a broad-based, volunteer driven, philanthropic organization creating, preserving and growing perpetual funds to enrich the quality of life of our citizens, now and in the future.”

The goal of the Chatham Kent Community Foundation is to assist in the development of this community through grants to registered charitable organizations that focus on education, health, the arts, recreation, social services and the environment.

By supporting these organizations, the Chatham Kent Community Foundation strives to enrich the quality of life of our citizens, now and in the future.

The Chatham Kent Community Foundation builds endowments and other funds to provide lasting support for local priorities. The income earned by the Foundation’s invested permanent funds is used to give grants to a wide range of community groups, while the original investment is retained, and grows over time.

Donors have chosen to work with the Chatham Kent Community Foundation because of the flexibility it affords them. Donors can support any number of registered local charities by giving to the Foundation, and their contribution responds to needs in the community that are current and relevant.

A donation to the Chatham Kent Community Foundation is a fiscally responsible investment. The Foundation is able to minimize costs by pooling funds for investment and administration costs. As well, Foundation volunteers take care of all the administrative and grant-making decisions, saving the donor both time and money.

The strength of the Foundation lies with its volunteers. The Board is made up of 11 dedicated Directors, and many more Directors at Large, who contribute significantly on Foundation committees. These volunteers also reflect the diversity of Chatham-Kent, which is truly a ‘Community of Communities.’

CHAIRPERSON’S REPORT

Once again, The Chatham Kent Community Foundation has had a successful year thanks to its generous donors and dedicated volunteers. The goal of the Foundation is to grant funds to charitable organizations in Chatham Kent, and to improve the quality of life for its citizens, now and in the future.

The Foundation provides an easy and flexible mechanism to receive donations for general or specific charitable purposes. The donated capital funds are prudently invested, and the income of these investments is used for deserving community projects.

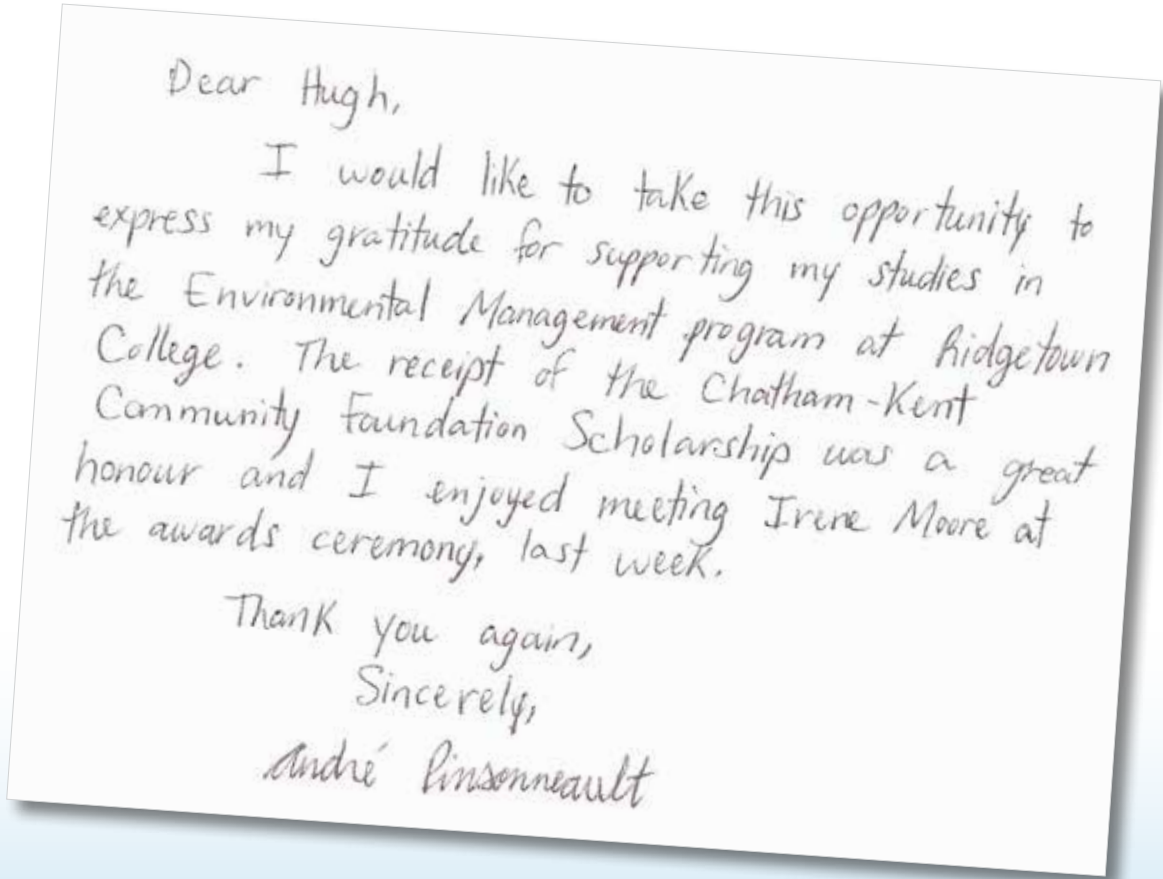

Donations received over the course of the year totaled over \$313,000 which was added to our Endowment Fund. In 2019, there were grants totaling \$414,159 received by 40 charitable organizations.

The Endowment Fund has grown to over \$8.5 million as a result of numerous donations. I would like to acknowledge South Kent Wind for its continued contribution to the South Kent Wind Community Fund.

The costs of the Foundation are kept to a minimum through the dedicated work of its volunteer supporters, including the Directors, Directors at Large and committee members. Directors are listed in the report, and in their busy schedules they find substantial amounts of time and expertise to facilitate the operation of the Foundation. I also thank Executive Director Hugh Logan and recently hired Assistant Executive Director Chris Pegg for their work and dedication to the Board and its Committees.

The Foundation only thrives with the support of its donors, sponsors and volunteers, and I sincerely thank you on behalf of the Foundation.

CAGP - GIVE AS YOU GO PROGRAM

With a little pre-planning, you can make a BIG impact in your community by leaving a gift in your Will to your local charities of choice.

How you can give after you're gone? Make your local Charities of Choice beneficiaries in your Will. Some people set a fixed amount. Others simply stipulate that a percentage of their estate go to their local Charities of Choice...as little as 1% can do a lot. This has minimal impact on your other heirs' inheritance, but makes a big difference in your community.

The CAGP Chatham-Kent Chapter (Canadian Association of Gift Planners) is a collective group of local non-profits and professional partners, working together to promote strategic charitable giving in Chatham-Kent.

Make a Plan today to Give as You Go... and help the good work of Local Charities live on after you're gone. Developed by the CAGP Chatham-Kent Chapter, this program is possible through the partnership of member charities and local professionals.

Local secondary students lead an interactive water-related activity during the 10th annual Chatham-Kent and Lambton Children's Water Festival, held in early October at C.M. Wilson Conservation Area. One of the goals of the Festival is to encourage young students to take what they have learned about water back to their homes, schools and communities. Over 1900 elementary students attended the 2019 event.

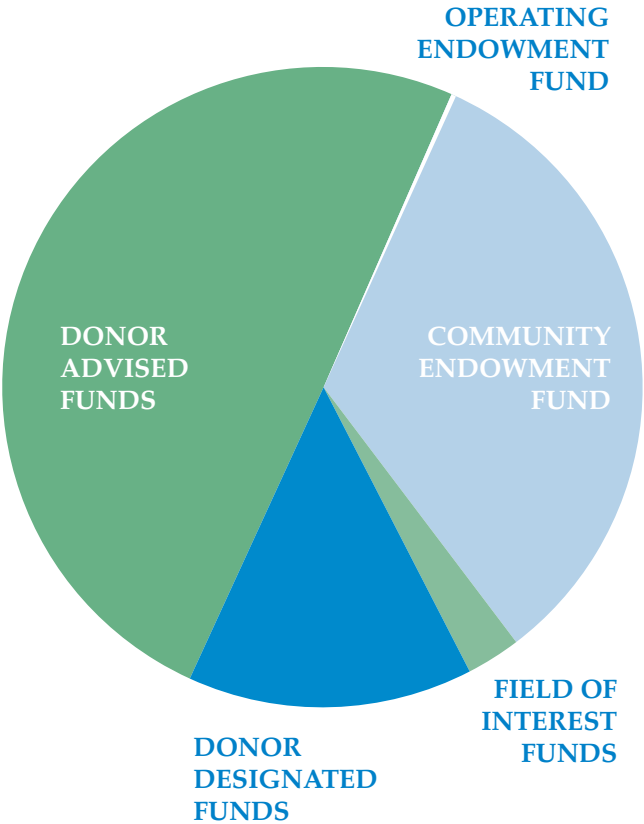

The 2019 edition of the Chatham Kent Community Foundation Golf Tournament was held Sept. 13 at Deer Run Golf Course. Twenty teams took to the greens to support the work of the Foundation. Plans are underway for another golf tournament in the fall of 2021.

Our thanks to our sponsors and the golfers who made the day such a success.

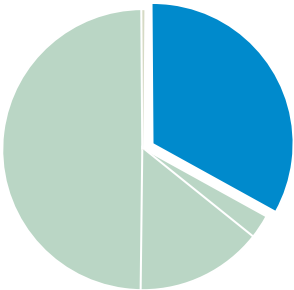

ABOUT OUR FUNDS

The Chatham Kent Community Foundation has five types of funds. The first fund, namely the COMMUNITY ENDOWMENT FUND, is a general type of fund that leaves control over the granting of investment income to the discretion of the Foundation Board. The remaining four types of funds, specifically the FIELD OF INTEREST FUNDS, DESIGNATED FUNDS, DONOR ADVISED FUNDS and the OPERATING ENDOWMENT FUND, differ from the Community Endowment Fund essentially in the way they direct how the investment income is granted.

1. Community Endowment Fund

These discretionary funds offer the greatest amount of flexibility to the Foundation in responding to the immediate and changing needs of the community. Donors do not place restrictions on the use of the funds and rely on the Board of Directors to make grant decisions that meet current community priorities and needs. The Community Endowment Fund has within it the opportunity to have Funds "Named" in the name of the donor or some other honoree.

2. Field of Interest Funds

These funds work much like the Community Endowment Fund except that the donors will identify an area of interest that they would like to support. The donor empowers the Foundation’s Board to select worthwhile projects to support. Named Funds are also possible. The Chatham Kent Community Foundation has three Field of Interest Funds currently available to our donors:

Wayne & Sylvia Barnard Family Fund

Established in 2017 by Wayne and Sylvia Barnard, the Wayne and Sylvia Barnard Family Fund was created to provide grants to support Chatham-Kent organizations that provide services or programs to Chatham-Kent residents under the age of 19 years. The services or programs may be recreational, educational, artistic, therapeutic, medical, cultural, social or environmental in nature.

The income from this fund is used to financially support environmental initiatives within Chatham-Kent that relate to increasing our understanding of environmental issues and interconnection with the community. It supports initiatives that acknowledge the impact of today’s environmental actions on future generations and build relationships with service groups and funding providers to ensure long term sustainability.

The Environmental Legacy Fund is principally financed by a major contribution from the Stan Wonnacott Family. There have also been other donations that were directed to the Environmental Legacy Fund.

3. Donor Designated Funds

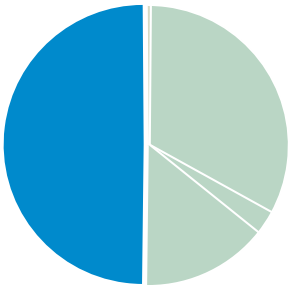

By establishing a Designated Fund, donors have the opportunity to specify which particular charity or charities they would like to support in perpetuity. GRANT MAKING

Timeline:

The Chatham Kent Community Foundation follows a Grant Review Process. The Grant Committee reviews all requests twice per year and makes grants in June and November. In this way, it is hoped that the Foundation can be responsive to the needs of charitable organizations within the community.

Guidelines:

The Board of Directors has developed the following application guidelines:

1. The Foundation supports charitable organizations concerned with EDUCATION, HEALTH, ARTS and CULTURE, RECREATION, the ENVIRONMENT, HERITAGE, and SOCIAL SERVICES that operate for the citizens of Chatham-Kent.
2. Grants are made only to REGISTERED CHARITABLE ORGANIZATIONS. Organizations seeking funds must demonstrate a strong, committed Board, fiscal responsibility and management qualifications.
3. Grants are awarded for DEFINITE PURPOSES, and for projects covering a specified period of time. Multi-year grants are subject to periodic performance reviews.
4. Preference is given to projects which:
 - (a) encourage more efficient use of community resources
 - (b) expect to test or demonstrate new approaches and techniques in the solution of community problems
 - (c) are developed in consultation with other agencies and planning groups, and those which promote coordination, co-operation and sharing among organizations, and the elimination of duplicated services
 - (d) promote volunteer participation and citizen involvement in the community
 - (e) expect to strengthen internal management capabilities of agencies.
5. CAPITAL PROJECTS will be considered if there is a demonstrated need.
6. BURSARIES and SCHOLARSHIPS are usually awarded to educational institutions and not to individuals.
7. Grants are not usually made to support OPERATING EXPENSES of established organizations or programs.
8. Grants are not made to establish or add to ENDOWMENT FUNDS.
9. Grants are not usually made to RELIGIOUS or POLITICAL organizations for direct activities.

Please obtain a GRANT APPLICATION FORM online: www.chathamkentcommunityfoundation.ca or call 519-351-3348. Once your application has been submitted, the Grant Committee will review the request and make a full report to the Chatham Kent Community Foundation Board of Directors for a final decision.
